march 2, 2006

Dear Prof. Gregersen,

The Academy of Scientific Research and Technology of Egypt (ASRT) as an adhering body for the IUGG nominates Prof. Dr. Ali Abdel Azim Tealeb as a member of the Bureau of the IUGG for the Coming quadranium (2007-2011); his details are :

Full Name : Ali Abdel Azim Tealeb

Postal Address : National Research Institute of Astronomy and Geophysics,
Helwan, Cairo , Egypt.

Fax No. : +202 5548020

e-mail : tealebaa@yahoo.com

Please accept my best wishes .

Prof. Dr. Fawzi Elrefaie
President, ASRT

Nahid

C.V

Prof. A.A.TEALEB
Emeritus Professor at
the National Research Institute of Astronomy and
Geophysics (NRIAG)

Helwan , Cairo ,Egypt

Name : *Ali Abd-El-Azim Tealeb*

General Field : *Geophysics and Geodesy*

Special Field : *Geodynamics and Recent Crustal Movements*

Scientific Degrees :

- B.Sc., General Degree in "Physics and Geology " ,
Faculty of Science, Cairo University . (1966)
- Post Graduate Higher Diploma in " Applied Geophysics " ,
Faculty of Science, Cairo University. (1967)
- M.Sc. in " Applied Geophysics " ,
Faculty of Science, Cairo University. (1973)
- Ph.D.in "Physics of the Earth " ,
Institute of the physics of the Earth, Potsdam, Germany . (1977)

Positions :

- Vice President of NRIAG (1997-1999) .
- President of NRIAG (1999-2004)

International and Local Scientific Meeting :

- Represented Egypt at several international conferences of IUGG, IAG, IASPEI and ILP .
- Represented Egypt at several international conferences of Geodesy and Geophysics, Gravitation, Earth Tides and RCM .
- Shared in organizing and attending the yearly conferences of the Egyptian Geophysical Society - EGS (1981 -) .
- Chaired the second Workshop on RCM in Africa at Cairo (1983) .
- Shared in organizing the Workshop on the Lithosphere of Africa and the Middle East held in Cairo (1989) .
- Organized the third Workshop on RCM in Africa at Aswan (1990) .
- Shared in the Workshops of the Earthquakes of the Mediterranean and the Earthquake Risk held in Cairo (1993-2000-2003) .
- Shared in the Workshops of the Seismic Risk in Gulf of Aqaba (1993 - 1995- 1997) .

- Chaired the Ninth International Symposium on RCM held in Cairo (1998) under the auspices of the International Association of Geodesy (IAG) and NRIAG .
- Shared in organizing the African Training Course of the Comprehensive Nuclear Test Ban Treaty Organization (CTBTO) - Cairo (1989) .
- Attended the meeting of the Preparatory Commission for the Comprehensive Nuclear Test Ban Treaty Organization (CTBTO), London (2002) and Vienna (2003-2004-2005) .

Scientific Activities :

- Established the department of " Gravimerty and Geodesy " at NRIAG .
- Established the department of "Recent Crustal Movements " at NRIAG.
- Established a unit of RCM at Aswan Regional Seismological Center (ARSC) .
- Established a school in Gravity, Geodasy and RCM in NRIAG.
- Shared the geomagnetic survey of Egypt, to produce the standard maps of the geomagnetic elements, reduced to different epochs .
- Principle investigator of the project " RCM studies around Nasser Lake and Aswan High Dam – Aswan – Egypt " .
- Vice Chief of the " Geophysical and Geodetic studies of Dahshour Area, southwest Cairo " .
- Vice Chief of " Lithosphere and the Geologic transects in Egypt " (1986-1991) .
- Head of some projects with the Armed Forces .
- Lecturing " Geophysics and Geodesy " at some Universities in Egypt .
- Supervised the establishment of the Egyptian National Seismolgal Network - ENSN (1997-2003) .

Signs of Appreciations and Prizes :

- State Prize of Encouragement in Geology from the Egyptian Academy of Scientific Research and Technology (ASRT) . (1988).
- Certificate and Medal of Appreciation form NRIAG . (1990)
- Certificate of Appreciation from the Egyptian Geophysical Society (EGS) . (1994)
- Nout (Pendat) of Excellency (first order) From the Egyptian Government. (1995)
- Certificate of Appreciation from NRIAG (1996)
- Certificate of Appreciation from NRIAG (2004)

Membership in Scientific Organizations

a) National Organizations :

- Member of the Egyptian Geophysical Society (EGS) and Egyptian Geological Society .
- President of the National Sub-Committee of Geodesy, Academy of Scientific Research and Technology (ASRT) – Egypt (1985-1995) .

- Member of the National Committee for Natural Disasters, Academy of Scientific Research and Technology (ASRT) – Egypt (1983-) .
- Member of the Sub-Committee on Technological Application, National Committee for Space Science , Academy of Scientific Research and Technology (ASRT) – Egypt (2002-) .
- Member of the Executive Board of the Aswan Regional Seismological Center-ARSC (1987-) .
- Member of the Supreme Counsel of the Research Centers and Institutes, State Ministry of Science – Egypt (1999-2004) .
- Chairman of the Supreme Supervising Committee of the Egyptian National Seismological Network - ENSN (1997-2004) .
- President of the National Committee of Geodesy and Geophysics, Academy of Scientific Research and Technology (ASRT) – Egypt (2004-) .

b) International Organization :

- National Correspondence to the International Association of the IAG (1985-)
- Member of the Committee of the Crustal Deformation - IAG (1987-1995) .
- Chairman of the African Sub-Committee of Crustal Deformation - IAG (1991-1995) .
- Member of the IUGG Bureau and Executive Committee for the Period (2003-2007) .

Research Work :

- Published more than 180 works, published locally and abroad in different aspects of Geophysics. Geopotential Geodynamics, Recent Crustal Movements, Gravity, Geodesy and Seismology .
- Supervised more than 38 M.Sc.and 29 Ph.D. degrees .

Popular Publications :

- Recent Crustal Movements . (1990)
- The Earth's Gravity Field . (1996)
- Geodesy . (1997)
- Seismology . (2000)
- The High Dam and Seismicity . (2000)
- Volcanoes . (2003)
- Ancient Earthquakes from some Arabic Sources and Catalogue of Middle East Historical Earthquakes (2004)
- Earthquakes and Tsunami (2005)
