

## Nasser Abou Ashour, IUGG Fellow

EGYPT

Nasser Mohamed Hassan Abou Ashour  
Egyptian citizen, born 11-06-1941 in Kaliobia, Egypt

Emeritus Professor at Geophysics Dept., Faculty of Science, Ain Shams University,  
Alkhalifa Mamoon St. Abbassia, Cairo, Egypt  
Telephone: 00202-24821633 ext. 556 off., 00202-22870427 home, mobile: 0020100 510 7341

### Education:

B. Sc. (Geology-Geophysics) Fac. Of Sc. Ain Shams Univ., May 1961. Very Good with Honors  
Ph. D. in Geophysics, Moscow, Russia, 1968  
Postdoctoral visit Academic research: Technical High School, NTH, Norway, Aug. 1973 - Dec. 1974

**Specialty:** Geophysics, Physical properties of rocks

**Experience:** Prospection and exploration for ground water and evaluation of aquifers

### Employment History:

- Demonstrator Geol. Dept. Fac. of Sc. Ain Shams Univ. 1961
- Lecturer Geol. Dept. Fac. of Sc. Ain Shams Univ. 1969
- Assist. Prof. Geol. Dept. Fac. of Sc. Ain Shams Univ. 1975-1981
- Prof. of Geophysics Geol. Dept. Fac. of Sc. Ain Shams Univ. 1981
- Vice Dean for higher studies and research, Fac. of Sc., Ain Shams Univ. 1990-1993
- Head of Geophysics Dept. Fac. of Sc. Ain Shams Univ. 1996-2001
- Em. Prof. of geophysics, Fac. of Sc., Ain Shams Univ. 2001-now

### Activities in the scientific community:

1. IUGG, Egypt, National Representative, 2001-now
2. Member, IUGG Finance Committee, 2016-2019
3. Member, IUGG Capacity Building & Education Committee, 2012-2019
4. Vice-President, IAHS Groundwater Commission, 2003 -2007
5. IASPEI Member
6. President of Egyptian Geophysical Society, 2001-2007
7. Member of several scientific local and international societies, GSE-EPEX -SEG -EAGE

### Scientific Research:

- Supervised more than 70 M.Sc. & Ph.D. theses in the fields of geophysics
- Published more than 60 scientific papers in the fields of geophysical Prospection for ground water, well logging analysis and petrophysics in National and International Journals.

### Honors and Awards:

Certificates of Honors and awards have been offered from different Universities, Institutes and Scientific Societies in recognition for scientific achievements and administrative efforts:

1. Fac. of Science, Ain Shams University, Egypt
2. NARIAG – National Research institute for Astronomy and Geophysics
3. Tanta State University
4. EGS – Egyptian Geophysical Society
5. SEG – Society of Exploration Geophysics
