

Shuanggen Jin, IUGG Fellow

CHINA

Shuanggen Jin is Professor at Shanghai Astronomical Observatory, CAS and Professor and Dean of School of Remote Sensing and Geomatics Engineering, Nanjing University of Information Science and Technology, China. His main research areas include Satellite Navigation, Space Geodesy, Remote Sensing and Space/Planetary Exploration. He has published over 400 papers in JGR, IEEE, EPSL, GJI, JG etc. with more than 4200 citations and H-index>40, 8 books/monographs and 8 patents/software copyrights.

He has been Chair of IUGG Union Commission on Planetary Sciences (UCPS) (2015-2019), Vice-President of the IAG Commission 2 (2015-2019), President of Asia-Oceania Geosciences Society (AOGS) Planetary Sciences (2018-2020), President of the International Association of CPGPS (2016-2017), President of International Association of Planetary Sciences (IAPS) (2015-2019), Editor-in-Chief of International Journal of Geosciences (2010-) and Journal of Environmental & Earth Sciences (2018-), Associate Editor of IEEE Transactions on Geoscience and Remote Sensing (2014-), Journal of Navigation (2014-) and Advances in Space Research (2013-2017), and Editorial Board member of Remote Sensing (2017-), GPS Solutions (2016-), Journal of Geodynamics (2014-), Planetary and Space Science (2014-).

He has received Special Prize of Korea Astronomy and Space Science Institute (2006), Hundred-Talent Program of Chinese Academy of Sciences (2010), Fellow of International Association of Geodesy (IAG) (2011), Second Prize of Shanghai Science & Technology Progress Award (2014), First Prize of Satellite Navigation and Positioning Progress Award (2017), Member of Russian Academy of Natural Sciences (2017), First Prize of China Overseas Chinese Contribution Award (2018), Member of European Academy of Sciences (2018) and Fellow of International Union of Geodesy and Geophysics (IUGG) (2019).
